OFFICERS

JERRY REINSDORF

Chairman

Since heading the limited partnership that purchased the White Sox in January of 1981, Jerry Reinsdorf has been increasingly active in the affairs of baseball. He recently completed a second four-year term on Major League Baseball's prestigious Executive Council. Reinsdorf also recently completed a four-year term as chairman of baseball's Ownership Committee. He remains a member of that committee and also serves as a member of the Board of Directors of the Player Relations Committee.

Reinsdorf expanded his involvement in the professional sports world in February of 1985 by purchasing controlling interest in the Chicago Bulls of the National Basketball Association. As chairman of the Bulls, Reinsdorf brought a World Championship to Chicago in 1991.

Reinsdorf has devoted most of his time to athletic interests since his December 1987 completion of employment as chairman of the board of a real estate investment firm he co-founded in the early 1970's. Currently, he is a partner in Bojer Financial, Ltd., a land investment company.

Reinsdorf's many contributions to the community have been recognized by such organizations as the Interfaith Organizing Project, the American Academy of Achievement, the Cystic Fibrosis Foundation, the Trial Lawyers Club of Chicago and the Chicago Jewish Sporting Hall of Fame. As Chairman of the Chicago White Sox, he was instrumental in initiating Chicago White Sox Charities, the newest arm of the baseball organization that raises funds for cancer research, children's educational and senior programs. The Chicago Baseball Cancer Charities has conferred its Hallmark Award to Mr. Reinsdorf in recognition of his efforts.

In addition to his sports interests, Reinsdorf is also a certified public accountant, an attorney, a specialist in real estate securities, a registered mortgage underwriter and a certified review appraiser. He is a former member of the board of directors of Shearson Lehman Brothers, Inc. and the Northwestern University Law School Alumni Association. He has also served on the boards of numerous other corporations and charities.

Reinsdorf was born on February 25, 1936 in Brooklyn, New York. He graduated from George Washington University in Washington, D.C. prior to receiving a law degree from Northwestern University. Reinsdorf and his wife, Martyl, have four children and one grandchild: son, David (3/25/62); daughter, Susan (1/4/65); son, Michael (3/10/67); son, Jonathan (12/17/69) and granddaughter, Melissa (11/8/91).

In memory of Sheri Berto and Maureen Schueler, the Chicago White Sox will wear an embroidered diamond on the left sleeve of their jerseys in 1992.

Sheri, long-time assistant to Chairman Jerry Reinsdorf, passed away suddenly on November 23, 1991 from undiagnosed internal bleeding while a patient at Lutheran General Hospital.

Maureen, wife of Ron Schueler, senior vice president of major league operations, passed away on October 3, 1991 after a long battle with leukemia.

The loss of both is deeply felt among the White Sox family.

The Sox will wear a 3/4-inch black diamond on the team's home white and road gray jerseys in memory of the two women. A silver diamond will be worn on the team's black jerseys.

EDDIE EINHORN

Vice Chairman

Eddie Einhorn begins his second year as Vice Chairman of the White Sox, continuing his involvement with Sox Chairman Jerry Reinsdorf while also devoting time to his other sports and television interests. Prior to becoming Vice Chairman, Einhorn was the club's President and Chief Operating Officer for 10 years.

In 1989, Einhorn was appointed Television Consultant to the United States Olympic Committee and was responsible for a 200-hour Olympic television package that debuted in 1990. He is also Television Consultant to the International Skating Union, governing body of all world ice skating, the U.S. Figure Skating Association and the U.S. Gymnastics Federation. Einhorn is also on the Board of Directors of the Chicago Bulls.

Einhorn is recognized as the architect of baseball's first billion dollar-plus contract. He was also instrumental in negotiating the 1990 television deal with CBS-TV and ESPN. Einhorn is also the senior American League representative on the Player Development Negotiating Committee.

Prior to joining law school classmate Jerry Reinsdorf in 1981 to head the limited partnership formed to purchase the White Sox, Einhorn was the executive producer of the "CBS Sports Spectacular." At CBS, he was responsible for over 200 hours of programming per year and won an Emmy Award for the "The Gossamer Albatross, Flight of Imagination" in 1980. Prior to that, Einhorn was the founder and chairman of TVS Television Network, the leading syndicator of sports programming in the 1970's, which was considered responsible for the popularity of college basketball on television.

Einhorn was born on January 3, 1936 in Paterson, New Jersey and holds a bachelor's degree from the University of Pennsylvania. He is a graduate of the Northwestern University School of Law. Einhorn and his wife, Ann, have two children: Jennifer (1/2/72) and Jeffrey (9/26/74).

HOWARD PIZER

Executive Vice President

As a nine-year business associate of Jerry Reinsdorf, Howard Pizer joined the White Sox in 1981 to handle the transition of the team from former owner Bill Veeck's group to the Reinsdorf-Einhorn group. Pizer has primary responsibility for White Sox business and administrative operations, as well as the club's legal matters.

During the past few years, Pizer's primary focus has been on the necessary steps to create a new Comiskey Park. He is currently utilizing this experience to assist the Chicago Bulls and Chicago Blackhawks in the development of the new Chicago Stadium.

Pizer also set organization-wide administrative policies and procedures, established uniformity in corporate-wide computerization and has been instrumental in initiating an employee relations program. He is also responsible for the overall relationship between Illinois Sportservice, the

White Sox concessionaire, and Levy Restaurants in conjunction with the operation of the new Stadium Club and Diamond Suites.

Pizer lends his organizational ability to the boards of directors of the Chicago Baseball Cancer Charities and Special Children's Charities, the fund-raising arm of Chicago Special Olympics. He was also instrumental in instituting the White Sox' newest venture, Chicago White Sox Charities, where he serves as first vice president and secretary.

Pizer was born on October 23, 1941 in Chicago, Illinois and is a graduate of the University of Wisconsin. He is also a magna cum laude graduate of the Northwestern University School of Law. Pizer and his wife, Sheila, have two children: Jacqueline (4/5/68) and Rachel (4/28/71).

RON SCHUELER

Senior Vice President Major League Operations

Ron Schueler brings 12 years of off-field baseball experience and 13 years of playing service to the Chicago White Sox as he begins his second season as senior vice president of major league operations. For four years prior to joining the Sox, Schueler served as special assistant to Sandy Alderson, the Oakland Athletics' vice president of baseball operations, where he was responsible for evaluating both professional and amateur baseball talent.

In his first year with the White Sox, Schueler was responsible for bringing Tim Lincecum and Charlie Hough on board to lend their experience to baseball's youngest team. In a brand-new ballpark, the Sox drew nearly three million fans to watch the team record its second consecutive runner-up finish in the American League West.

Last winter, Schueler signed free agent pitcher Kirk McCaskill and also acquired All-Star second baseman Steve Sax in a trade with the New York Yankees. He also re-signed veteran catcher Carlton Fisk and outfielder/first baseman Dan Pasqua.

Schueler was selected by Atlanta in the third round, secondary phase, of the January 1967 free agent draft. After five seasons in the minor leagues, the 6-4 right-hander compiled a 40-48 record in eight major-league seasons with Atlanta (1972-73), Philadelphia (1974-76), Minnesota (1977) and Chicago (1978-79).

He ended his playing career with the White Sox in June of 1979 and was hired as pitching coach (1979-81) by Sox manager Don Kessinger to replace Fred Martin. Schueler joined the A's staff as pitching coach from 1982-84 and held the same duties for the Pittsburgh Pirates in 1986 prior to joining the A's front office.

Schueler was born on April 18, 1948 in Hays, Kansas. A graduate of Hays High School, he attended Fort Hays State College prior to being drafted. Ron has two children: Kacey (7/21/73) and Carey (4/25/75).

ROB GALLAS

Senior Vice President Marketing & Broadcasting

Rob Gallas joined the White Sox in September of 1989 and immediately began planning for 1990, the final season in old Comiskey Park. Through his innovative promotions and ballpark events, the Sox nearly doubled their attendance total from the previous year, resulting in the biggest single-season turnaround ever in professional sports.

The marketing and promotional efforts of Gallas in opening new Comiskey Park, and a second consecutive runner-up finish in the American League West, resulted in an all-time White Sox attendance record of 2,934,154 in 1991. The new White Sox logo and uniforms that were unveiled at the end of the 1990 season moved the White Sox to the top of Major League Baseball in merchandise sales for 1991.

A former group manager of marketing communication and services for a division of Baxter Healthcare Corporation, Gallas began his career as a news and sportswriter with various newspapers in the Midwest, including a stint as the White Sox beat writer for the Arlington Heights Daily Herald from 1976 to 1983. He received the Jacob Scher Investigative Reporting Award in 1975 and in 1980 captured UPI's Illinois Newspapers Best Sportswriting Award. In 1981, he became the first non-Chicago writer to become Chairman of the Chicago Chapter of the Baseball Writers Association of America.

Gallas was born in Chicago, Illinois on January 4, 1951 and grew up in Michigan City, Indiana. A 1973 graduate of the University of Evansville (Indiana), Gallas and his wife, Sharon, have two children: Christopher (3/8/71) and Jennifer (2/4/74). The Gallas family resides in Palatine, Illinois.

Under Gould's direction, the White Sox began computerizing the gathering of statistical data during the 1981 season, thus bringing the club into the forefront of the industry by making baseball decisions based on computer-generated data. He also oversees the research involved in preparing for potential arbitration cases. In addition, Gould is involved in a number of the arrangements for the club's transfer to Sarasota, Fla. for spring training.

As a bomber pilot for the U.S. Army Air Force during World War II, Gould flew on 35 combat missions in Europe and received several decorations, including the distinguished Flying Cross. As a lieutenant colonel, actor Jimmy Stewart was second in command of his wing. After leaving the military, Gould ran his own mortgage banking firm for 25 years. He is an

advocate of youth baseball and served in various administrative capacities for Colt League Baseball in the northern suburbs of Chicago, including coaching duties.

Gould was born in Chicago, Illinois and is a graduate of Chicago's Von Steuben High School and the University of Illinois, where he received a bachelor's degree in accounting. He and his wife, Nancy, have one son: Larry (7/24/57).

TIM BUZARD

Vice President Finance

As Vice President of Finance for the White Sox, Tim Buzard is directly responsible for the club's accounting, ticket office, human resources and data processing departments. Upon taking over this position in 1985, he initiated a new cash management system and set up a comprehensive risk management system, which reduced risk exposures and costs for the franchise.

In 1991, Buzard initiated a ticket office customer service campaign and a new human resources department, overseeing the implementation of a new flexible benefits program. He is a member of Major League Baseball's Data Processing Committee.

Prior to being promoted to Vice President of Finance, Buzard served as controller for five years. Upon his arrival in 1981, his main priority was developing a detailed budget and long-term accounting plan. He initiated the automation of the accounting department and assisted in an organization-wide computerization project.

Buzard holds an accounting degree from the University of Illinois and became a certified public accountant in 1981. He served as a senior accountant for Ernst & Whinney for three years prior to joining the White Sox.

Buzard was born on September 13, 1955 in Evanston, Illinois. A 1978 graduate of the University of Illinois, Buzard and his wife, Sandra, have two children: Jacqueline (11/11/84) and Kevin (3/21/89). The Buzard family resides in Highland Park, Illinois.

TERRY SAVARISE

Vice President Stadium Operations

As Vice President of Stadium Operations, Terry Savarise was directly responsible for the planning and construction of the new Comiskey Park. Savarise handled the layout and design of all aspects of the ballpark, including the state-of-the-art features in the sky boxes, press box, stadium club and clubhouse. He is also responsible for the over 2000 employees that staff Comiskey Park during game days.

Savarise is currently serving as Project Manager for the design and construction of a multi-purpose arena that will serve as the new home of the Chicago Bulls and Chicago Blackhawks. He also worked closely with the City of Sarasota, Florida in the design and construction of Ed Smith Stadium and Sports Complex, which opened as the club's spring training and minor league headquarters in February of 1989.

Prior to joining the White Sox, Savarise served an internship with the Cleveland Cavaliers of the National Basketball Association in the Cavs' all-star game season of 1980-81. He is an active member of the Stadium Managers' Association and the International Association of Auditorium Managers.

Savarise was born on November 20, 1959 in Cleveland, Ohio. He is a 1981 graduate of Ohio University with bachelor's degrees in accounting and business law, followed by a master's degree in sports administration later that same year. Savarise and his wife, Tara, have one child: Katie (9/10/88).

Monroe brings 18 years of experience in the White Sox organization as a player, scout, minor-league instructor and coach to his current post.

Monroe oversees the annual draft selections for the White Sox as well as the entire player development department. Reaching Base By Hit, Walk or Hit By Pitch Since 1960

Frank Thomas became one of only six American League Players since 1960 to reach base 300 times in one season when he reached base 317 times last year. In addition to Thomas, Wade Boggs (six times), Rickey Henderson, Rod Carew, Carl Yastrzemski and Harmon Killebrew accomplished the feat. Just two National League hitters (Pete Rose and Tony Gwynn) have reached the mark over that time span.

SIGNIFICANT DATES

- November 20, 1893* At a meeting held in the Grand Hotel Indianapolis, the Western League is formally organized. Charles Comiskey places in nomination the name of Ban Johnson for President of the league. The Sioux City franchise is awarded to a local businessman named H. H. Drake. A year later Comiskey's contract with the Cincinnati Redlegs expires. At the behest of Ban Johnson, Charles Comiskey purchases the Sioux City team and moves it to St. Paul.
- October 11, 1899* The American League is christened in Chicago, amid rumors that the St. Paul club will transfer to the south side.
-

- September 21, 1901* Even though they lose in Philadelphia, the White Sox capture their second consecutive American League pennant. For the season they draw 354,350 fans to the tiny South Side grounds, nearly 150,000 more than their crosstown rivals. Chicago plays a team of AL All-Stars led by Nap Lajoie in the post-season "All-American Series." The Sox split the games.

Thomas and Ventura Join Exclusive Club

Frank Thomas (32 home runs, and 109 RBI) and Robin Ventura (23, 100) became just the eighth pair of teammates under 25 years of age to collect at least 20 home runs and drive in at least 100 runs. The feat has only been accomplished three times since 1955, by Thomas and Ventura, in 1987 by Oakland's Jose Canseco (31, 113) and Mark McGwire (49, 118) and in 1975 by Boston's Fred Lynn (21, 105) and Jim Rice (22, 102).

White Sox Turnaround

The White Sox 1990 record of 94-68 was the largest one-year turnabout in club history, eclipsing the 1970-71 revival when the Sox improved from 56-106 to 79-83.

The A's had started their season two days earlier at Washington. The Sox won two other Opening Day double-headers (1971 on the road and 1982 at home). Both resulted from inclement weather.

White Sox Parks

◆ **South Side Grounds:** The first Sox home was the South Side Grounds, located on the corner of 39th Street and Princeton Avenue. The 5,000-seat wooden park featured a short right-center field area due to a greenhouse east of the stadium. After the White Sox moved to Comiskey Park, the name was changed to Schlorsing Park and it became home to the Negro League's Chicago American Giants until the wooden grandstand burned down in 1940.

◆ **Old Comiskey Park:** After nine years in the South Side Grounds, Charles Comiskey started construction on his new "Baseball Palace of the World" at the corner of 35th Street and Shields Avenue. White Sox Park opened on July 1, 1910, but soon became known as Comiskey Park. The new park was designed by architect Zachary Taylor Davis with help from Comiskey and pitcher Ed Walsh. Comiskey Park featured spacious dimensions (362' down each line and 420' to straight-away center field.). Before the 1927 season, the park was enclosed by a double-decked outfield grandstand. On August 14, 1939, the first night game in Chicago was played at Comiskey Park, with the Sox defeating the St. Louis Browns, 5-2. The first large center field scoreboard was built in 1950 and lasted until replaced by Bill Veeck's exploding version in 1960. In 1982, a new scoreboard, complete with color video board, was constructed along with new Golden Box seats, dugouts and a level of luxury sky suites. The White Sox played their final campaign at old Comiskey Park in 1990. The festive final weekend of the old stadium was capped by a 2-1 Sox victory over the Seattle Mariners in the final game on September 30, 1990.

◆ **New Comiskey Park:** The new Comiskey Park opened on April 18, 1991, almost three years after the Illinois General Assembly passed legislation to build the park directly across the street from old Comiskey Park. A groundbreaking ceremony was held on May 7, 1989, with Mayor Richard M. Daley and Governor James Thompson in attendance. The new park features an exploding scoreboard, an old-time facade complete with arches and over 40,000 unobstructed view seats. The new Comiskey Park attracted a club record 2,934,154 fans in its first year and drew rave reviews from the general public and baseball officials.

MEDIA SERVICES

Admission: Enter Comiskey Park at Gate 4 (Administrative Offices). Television crews that park in the back of the ballpark enter through the loading dock. A Major League Baseball Working Pass, BBWAA card, or Chicago White Sox credential is necessary for admittance. Gate 4 and the clubhouses will be opened to the media 3 1/2 hours prior to game time.

Broadcast Booths: Take the elevator to Level 2, proceed to the Press Box, and take the stairs to the broadcast booths. There are seven broadcast booths: Booth 1 (Reserved), Booth 2 (Home TV), Booth 3 (Visiting TV), Booth 4 (Home Radio), Booth 5 (Visiting Radio), Booth 6 (Hispanic Radio), Booth 7 (Reserved).

Clubhouses: Credentials must indicate clubhouse access. Enter at Gate 4 and proceed to the service tunnel. As you reach the service tunnel, the White Sox clubhouse (third base side) is to the left and the visitors' clubhouse (first base side) is to the right. The White Sox clubhouse will be closed to the media one hour prior to the game and between games of a doubleheader. Following the game, the White Sox clubhouse will be opened to the media 10 minutes after the last out. The trainer's room, weight room, and players' lounge will be closed to the media at all times.

Credentials: Proper credentials must be displayed at all times. Credentials will be issued only to legitimate newsgathering agencies that have contacted the Public Relations Department at least 24 hours in advance. Media Will Call is located at Gate 4, Window 10, which opens two hours prior to game time.

Dark Rooms: Enter at Gate 4 and proceed to the service tunnel. As you reach the service tunnel, the dark rooms (AP affiliates on the left and UPI affiliates on the right) are to the right beyond the entrance to the Umpires' Clubhouse.

Elevators: Two elevators are located to the right after entrance at Gate 4. Proper credentials will be necessary for access to the elevators. Take either elevator to Level 2 for the Press Box, Level 3 for the Bards Room (dining room), or Level 5 for the Upper Photo Boxes (Sections 524 and 540).

Field: Credentials must indicate field access. The field and dugouts must be cleared following pregame batting practice and infield drills. Postgame live shots can be done from the warning track areas immediately in front of the first and third base photo boxes. However, postgame interviews will not be allowed in or near the dugouts, without special permission, until 10 minutes after the last out.

Parking: Limited parking for the media is available in Lots D-E or Lot G, as designated on the parking pass.

Photo Areas: Enter at Gate 4 and proceed to the service tunnel. As you reach the service tunnel, the third base photo box is to the left and the first base photo box is to the right. Upper photo boxes are also available near Sections 524 and 540. Still photographers are not allowed in the tunnel behind home plate or in the clubhouses, without special permission.

Press Box: Take the elevator to Level 2. The Press Box contains 120 seats, a work room, telephones for credit card calls, and a dining area. No food or drink may be taken from the Press Box.

Television Minicam Crews: WBBM (2), WMAQ (5), WLS (7), WGN (9), WFLD (32) and SportsChannel will be allowed to park two vehicles each at the rear of the ballpark near the Players' Lot (corner of 35th Street and Wentworth Avenue). Crews parking in this area enter the stadium with their equipment via the loading dock. Access to the field is via the first and third base photo boxes off the service tunnel. Access to the photo boxes on the upper concourse is via the freight elevator in the left field corner of the stadium. Minicam equipment will not be allowed to be transported to the Press Box, Broadcast Booths, or Bards Room, without special permission.

Roving through the stands and concourses is prohibited. Likewise, field level access during the game is limited to the first and third base photo boxes.

Pre-game interviews must be done on the field. No game action can be shown during a live shot. Use of lights in the stadium during the game is prohibited. Proper credentials will be necessary for access to the clubhouses. Following the game, interviews will not be allowed in or near the dugouts, without special permission, until 10 minutes after the last out.
